Northampton Township Butterfly Garden Of Remembrance

*"A butterfly lights
beside us, like a sunbeam...
and for a brief moment
it's glory & beauty
belong to our world...
but then it flies on again,
and although we wish
it could have stayed,
we are so thankful
to have seen it at all."

Butterfly Garden of Remembrance

The Northampton Township Business & Professional Association and Northampton Township have partnered to establish the

“The Northampton Township Butterfly Garden of Remembrance” at the Municipal Park on Hatboro Road, Churchville. Our goal is to provide a tranquil setting of solace where residents can honor and reflect upon the lives of their loved ones.

Our vision for the garden includes a variety of trees, shrubs and flowers that have interest throughout the four seasons, as well as walkways, sculpture, engraved pavers and benches. There are a variety of options available for individuals and groups who would like to honor a loved one. We

hope this garden will serve to offer comfort and peace for you, the community.

“For every flower that opens in your garden, another wound is healed in your heart.”
