Northampton Township Parks and Recreation Sponsorship Program

The Northampton Township Parks and Recreation Sponsorship Program provides an avenue for businesses and or individuals to partner with the Parks and Recreation Board in an effort to better serve the Northampton Township Community. Businesses are provided with opportunities to promote products and services. Individuals are given the opportunity to showcase their support.

Banner Program

This aspect of the Sponsorship Program allows for advertisements and messages to be displayed at Parks and Recreation facilities.

The *Banner Program* has been created for the purpose of providing opportunities for businesses to promote products and services while supporting the Township Parks and Recreation program and the Accredited Youth Sports Organizations that utilize township recreation facilities. Revenue generated from this program will be utilized to support the Accredited Youth Sports Organizations' initiatives and defray overall park facility maintenance expenses.

DETAILS:

- Banners shall be erected on the outfield fencing of Township owned baseball/softball fields, inside the hockey rink on the dasher boards and on selected walls of the Recreation Center gymnasium.
- Banners shall be mounted only on the outfield fencing and not on any backstops or sideline fencing.
- Banners shall be made of white, 13oz. vinyl cloth, in full color.
- All banners shall be inward facing. It is intended that banners would be visible from inside the respective facility, from the playing field and stands and for view by spectators and participants.
- NTPR shall be responsible for the ordering of the banners, billing and administration of the *Field Banner Program*.
- The Parks and Recreation Board or its designee reserves the right to reject any banner application.
- The content of the banner shall be appropriate for a family environment, and approved by Northampton Township Parks and Recreation Board. No photographs of actual persons will be permitted. The design of the banner shall be submitted in digital form to NTPR. (An additional fee may apply for designs requiring set-up.)
- Banners will be used for a period of three calendar years and will be replaced at the start of the fourth year. Sponsors who wish to replace their banner sooner can make arrangements to do so through NTPR at their own expense.

- Damaged or vandalized banners shall be promptly repaired or removed by the Parks and Recreation Department.
- Banners shall be hung in accordance with the dates on the application.
- An agreement between the Township and the sponsor will be implemented once an application is submitted and the fee paid.
