

NORTHAMPTON PARKS & RECREATION and LIBRARY

STORY WALK™

ENJOY THE PARKS, TAKE A WALK & READ.

The Story Walk is an innovative approach which encourages reading and walking. During the summer months, pages from selected children's books will be posted on podiums for easy reading. Located at the Northampton Municipal Park, 281 Hatboro Rd, Churchville, the Story Walk starts near the playground pavilion. Follow the succession of page numbers on a leisurely walk with your child, as you read a story along the way while taking in exercise and fresh air. Different stories will be posted every few weeks for you to enjoy.

The Story Walk™ Project was created by Anne Ferguson of Montpelier, Vt. and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and Kellogg Hubbard Library. 🦉
